DATA VERIFICATION NOTES

- Date check: 19 Oct 2026 was a trading day (HDFC Sky, Angel One, Liquide close reports). Edition built after the close on the real IST clock.
- Circuit-lock data for the six lower-circuit stocks comes from single secondary sources (MarketsMojo; Smartech Daily for Wardwizard). NSE/BSE circuit lists were not fetched, so locks were not cross-checked and 'locked at close' wording is as stated by those pages. No confirmed lower-circuit lock was found for any large or mid cap.
- Upper-circuit list (Bench Mark Infotech, Lagnam Spintex, Swarnsarita, Midwest) is from an INDmoney table stamped 4:01 pm IST; per-stock band, catalyst and final lock status were not stated. DCM Shriram Industries was cross-checked (INDmoney + Multibagg) but volume differs (60.97 vs 63.93 lakh). The 5paisa upper-circuit article could not be fetched.
- Volume multiples versus average volume were not stated by any source; none is shown. Absolute volumes are as quoted.
- Catalysts: none verified for the circuit names. PC Jeweller block deal, Ixigo stake sale, PNB broker target raises and the Sayaji Industries board-meeting note each rest on a single source.
- Source conflicts: Multibagg pages quoted different index levels (Nifty 22,866.70 / 22,936.00) than HDFC Sky/Angel One/Liquide; the latter set (22,888.95) is used. Brent was $110.45 (Liquide) vs about $108 (HDFC Sky) - not used in the table. Jai Corp % move differs within one source (6.17% vs 7.35%). Yes Bank: -3.87% vs -3.54%. Axis Bank, PNB, Yes Bank sector causes are as reported by media, not independently verified.
- FII/DII flows for 19 Oct: not found. Upper/lower-circuit lists and 52-week highs/lows were not retrieved from NSE/BSE directly (often blocked); fresh 52-week highs on heavy volume could not be confirmed for any name - PC Jeweller and HFCL were near, not through, their stated highs.
- Judgment calls (unattended run): circuit-locked names default to 'avoid chasing'; moves are shown as reported at the time each source was captured; tickers were chosen for source availability, not as a full-market scan. The Tuesday 20 Oct holiday is cited from HDFC Sky only; confirm with the NSE holiday calendar.
