CIRCUIT WATCH: PRICE-BAND & MOMENTUM SCANNER

Session: Wednesday, 11 November 2026 | Sensex 81,879.40 (+772.75, +0.95%) | Nifty 50 25,255.05 (+210.40, +0.84%) | Generated: 11 Nov 2026, 21:15 IST

SESSION SNAPSHOT

- **Indices:** Sensex 81,879.40, up 772.75 pts (0.95%); Nifty 50 25,255.05, up 210.40 pts (0.84%) (HDFC Sky, 5paisa, Kotak Neo). Bank Nifty +1.76% (Kotak Neo); level n/a. India VIX: n/a (not verified for this session).
- **Breadth:** 2,756 advances, 1,555 declines, 162 unchanged (HDFC Sky, single source). Nifty Smallcap about +1.6%, Midcap 100 about +0.8%.
- **Sectors:** Leaders: Nifty PSU Bank +2.94% (Kotak Neo; 5paisa says +2.91%), Private Bank +1.14%, Auto +1.14%. Laggards: Nifty IT -0.53%; Realty -0.42% and Pharma -0.41% (Kotak Neo only).
- **Nifty 50 movers:** M&M +5.30%, InterGlobe Aviation +4.33%, Trent +3.32%; Adani Ports -1.84%, ICICI Bank -1.10%, Tech Mahindra -0.91% (HDFC Sky).
- **Macro:** Brent about USD 92 (sources differ); rupee closed 93.69/USD (5paisa); month-to-date FPI buying USD 5.68 bn (HDFC Sky). Daily FII/DII cash flow: n/a. Exchanges were shut on 10 Nov (Diwali Balipratipada), so 11 Nov is the first session after the break.

CIRCUIT & MOMENTUM ACTIVITY — SESSION TABLE

Stock	Move	Recommend.	Reason
Jyoti Structures	**+20.00% to Rs 12.96 (20% band); volume 11.99 Cr**	Avoid chasing	Close equals 20% band; reported catalyst: lenders releasing up to Rs 510.59 cr of bank guarantees under an NCLT-approved plan (single source, unverified). Heavy turnover but circuit-locked names can be hard to exit.
Affordable Robotic & Automation	**+5.0% to Rs 217.29 (5% band)**	Avoid chasing	Source calls it locked but also gives an intraday low of Rs 201.05, which conflicts with a full-session lock; lock unverified. No catalyst stated.
Steel Strips Infrastructures	**+4.98% to Rs 18.77 (5% band, BE series)**	Avoid chasing	Source says held to close; its turnover figure does not match volume x price (unverified) and it trades thinly. No catalyst stated.
Golden Tobacco	**+4.99% to Rs 21.87 (5% band)**	Avoid chasing	Source notes early weakness before recovery, so an all-session lock is unverified; turnover figure in source is implausible and is not used. No catalyst stated.
GVP Infotech	**+4.85% to Rs 7.14 (5% band)**	Avoid chasing	Last traded Rs 7.13, a paisa under the circuit price, so the lock may not have held to close (unverified). No catalyst stated.
AKI India	**+4.91% to Rs 5.55 (5% band, BE series)**	Avoid chasing	Source reports a lock with lower-than-usual turnover (Rs 3.60 cr); no order-book data to confirm. No catalyst stated.
KCP Sugar & Industries	**Move unverified: source says +5% (Rs 27.21); its own previous close implies about +1.6%**	Wait for stabilization	The % move is internally inconsistent in the source, so the circuit claim is unverified. No catalyst stated.
Housing Development & Infra	**+4.44% to Rs 1.41 (5% band, BZ series)**	Avoid chasing	Sub-Rs 2 stock in a restricted series; volume 31.71 lakh. No catalyst stated; low-liquidity risk.
S.A.L Steel	**-5.0% to Rs 85.58 (5% band)**	Avoid chasing	Source reports a lower-circuit lock; its previous-close figures conflict, so exact levels are unverified. No catalyst stated.
Transworld Shipping Lines	**Lower circuit to Rs 213.66; move unverified (-10% in text, -5.8% in headline)**	Avoid chasing	Source contradicts itself on the % and band; lock at close is stated but unverified. No catalyst stated.
Tamil Nadu Telecommunications	**-5% to Rs 9.70 (5% band)**	Avoid chasing	Source reports a lock; its turnover and moving-average statements are inconsistent (unverified). No catalyst stated.
Empower India	**-4.35% to Rs 1.10 (5% band stated)**	Avoid chasing	Reported lock at -4.35% does not match a 5% band, so lock status is unverified; volume 160.46 lakh. No catalyst stated.
AGS Transact Technologies	**-4.65% to Rs 2.05 (5% band, BZ series)**	Avoid chasing	Source reports a lock but the % is below the band (unverified); turnover figure off by 100x and ignored. No catalyst stated.
Kalyan Jewellers India	**+8.44% to Rs 662.55; volume 7.32 Cr**	Watch for follow-through	High-volume mid-cap gain (Multibagg); no catalyst verified. Not a circuit name; judge on next-session volume.

Stock	Move	Recommend.	Reason
Bank of Baroda / PNB	**+5.67% to Rs 274.70 / +4.70% to Rs 138.20**	Monitor for confirmation	Part of the PSU Bank rally (index about +2.9%); volumes 4.87 Cr and 8.45 Cr. Sector-wide move; no stock-specific catalyst verified.
Mahindra & Mahindra	**+5.30% to Rs 3,465 (HDFC Sky); Rs 3,456.40 (Multibagg)**	Monitor for confirmation	Top Nifty gainer on both sources; the two price prints differ slightly. Catalyst not verified.
Avantel	**+14.32% to Rs 160.10; volume 2.40 Cr**	Watch for follow-through	Large small-cap move on heavy volume; catalyst unverified.
Ashoka Buildcon	**+11.03% to Rs 114.36**	Watch for follow-through	Volume figure in the source is garbled, so volume is unverified; catalyst unverified.
Matrimony.com	**+8.70% to Rs 633.05 at about 9:27 am (intraday, not close)**	Monitor for confirmation	Fresh 52-week high on about 1.93 lakh shares vs about 14,260 average (single source); reason: Q2 profit reported at Rs 20.7 cr, up 165% (media report, not checked against filing). Closing level unverified.
STEL Holdings	**+16.71% to Rs 616.00**	Avoid chasing	Move came on very thin volume (about 42,300 shares); thin-liquidity spike. Catalyst unverified.
Adani Ports	**-1.84% to Rs 1,907**	Wait for stabilization	Weakest Nifty 50 stock on HDFC Sky's table; no catalyst verified.

Upper-circuit and lower-circuit locks were found (see above), so no section is empty. Lock status for every circuit name rests on one source article each and is flagged accordingly. Moves in green are gains, red are losses.

DATA VERIFICATION NOTES

- Circuit and lock data for small caps come from Markets Mojo articles; no order-book or exchange circuit list was reachable, so no lock is independently confirmed.
- Markets Mojo internal errors found and flagged: KCP Sugar % vs previous close; Golden Tobacco, Steel Strips, AGS Transact and Tamil Nadu Telecom turnover figures (units off); Transworld % (-10% vs -5.8%); Empower and AGS % below stated band; Affordable Robotic low vs 'entire session' lock. Those turnover figures are not used.
- Multibagg pages carry an AI-accuracy disclaimer; their % changes recompute from price and change but were not matched to an exchange feed. Ashoka Buildcon volume text was garbled and omitted.
- Matrimony.com is a 9:27 am snapshot from one source (Business Upturn); closing move and volume not verified. The Q2 figures come from a media report not matched to the filing.
- Jyoti Structures catalyst (bank guarantee release) is from Multibagg only. Teaser headlines on Kotak Neo (Netweb, Waaree, KPI Green, RVNL, HEG, IndiGo) were not backed by article bodies and are excluded.
- Sterlite Technologies, ESDS and E2E Networks were named in a headline as 11 Nov upper-circuit leaders but no prices or % were available; excluded as unverified.
- India VIX, Bank Nifty level, daily FII/DII flows and a full 52-week high/low list: n/a, not found. An undated headline mentioning VIX 17.55 was not used.
- Source differences: PSU Bank +2.94% vs +2.91% (+2.97% on another page); Brent about USD 89-93 across pages; Eicher Motors named a gainer in HDFC Sky text but -0.48% in its own table.
- Judgment calls (unattended run): all circuit-locked names default to 'avoid chasing'; recommendation language is hedged and none is a buy/sell call. Run started about 21:08 IST; the 21:00 schedule was met within minutes.

DISCLAIMER

This report is prepared by Joshi's Corner for general informational and educational purposes only and does not constitute investment advice, a recommendation, or a solicitation to buy or sell any security. It does not take into account the investment objectives, financial situation, or particular needs of any specific person. Prices, volumes, circuit-limit status, and other data points are drawn from third-party and publicly available sources believed to be reliable at the time of preparation; they may be delayed, incomplete, or subject to revision, and no representation or warranty is made as to their accuracy or completeness. Where a data point could not be verified, this report says so explicitly rather than estimating it. Equity markets are subject to risk, including the possible loss of principal; past performance and single-session price or volume moves are not indicative of future results. Stocks that are locked at their circuit limit carry additional execution risk (illiquidity, inability to exit) and should not be chased on the basis of the circuit move alone. Readers should independently verify all data and consult a SEBI-registered investment adviser before making any investment decision.
