DATA VERIFICATION NOTES

- Index closes, breadth, sector moves and heavyweight prices: HDFC Sky close report (PTI-based), published 4:49 PM IST. Its body percentages for ICICI/HDFC Bank/Axis/M&M/Titan differ from its ticker figures; ticker values (which match the rupee changes) are used.
- Tips Films, Banka Bioloo, Neelamalai Agro, HFCL, Diamond Power: MarketsMojo single-stock pages, which carry only relative timestamps and a single source; not cross-checked with a second source. MarketsMojo's quoted Sensex moves are inconsistent with the close and are ignored. Tips Films page gives an intraday high below its stated close - treat that price as unverified.
- MM Forgings, SML Mahindra, Happy Forgings, Augmont: HDFC Sky Price Band Hitters 12:00 PM IST snapshot only. Closing status could not be confirmed. Other names in that table (e.g. Websol, Birla Cable, Venus Remedies, ESDS, Morepen, Clean Max) were not at their bands or conflicted between sections, so are excluded. Clean Max (-5.65%) sits on a 20% band, so it was not a lock.
- Momentum names (Tata Teleservices, MTNL, V2 Retail, Yes Bank, Samvardhana Motherson, Billionbrains Garage, Moneyview): Multibagg full-day volume leaderboard (4:33 PM IST). Single source. Volume is shown in crore shares there.
- Volume multiples versus average volume could not be verified for any stock for 6 Nov and are not shown. Catalysts are marked unverified wherever no source stated one.
- Not retrieved: 5paisa upper-circuit list for 6 Nov (fetch blocked), NSE/BSE official circuit lists, India VIX, Bank Nifty close. smallcase and IIFL circuit pages were stale or screener output (the IIFL page was dated 27 Oct) and were not used.
- Judgment calls (unattended run): intraday-only band hits are labelled as such and given cautious recommendations; the table is a selected sample of confirmed or source-reported activity, not an exhaustive circuit list. Confirmed lower-circuit lock found: HFCL only; Diamond Power's lock is unverified.
